听第一篇短文，回答第 13-15 小题。请根据短文内容，选择正确答案，完成信息记录表。

Australia has a lot of lovely animals. Koalas are the most famous ones. They look like bears, and have small eyes and big noses. They eat leaves from gum trees, where they spend most of their time. Koalas do not drink much water and they get most of the water from these leaves. Each animal eats about two and a half pounds of leaves a day.

Koalas have a special smell. They use it to keep other animals away from their homes. "This is my place, you can't come in!" Like kangaroos, a koala baby lives in its mother's pocket. A mother koala carries her baby in her pocket for about six months.

Sadly, Koalas were widely hunted. Also, Koalas need a lot of space—about a hundred trees per animal. As a result, their number is much smaller now. There are only about 100,000 koalas in Australia. The government has

already made laws to keep them safe.

听第二篇短文，回答第 16~20 小题。

One day, Jack was taking a walk on the street when he heard a voice. He found a little girl crying in the street alone. Nobody was around her.

"Why are you crying so sadly, little girl?" Jack asked. "I lost my lovely doll, and it's my favorite doll. I feel very sad without it." the girl answered. "Don't worry, little girl. I'll take you to go to the shop and buy a new doll for you," Jack said. So the little girl followed Jack to the shop and Jack bought a very nice doll for her. The little girl began to feel happy. Then Jack said goodbye to her.

But a few minutes later, Jack heard the girl crying again. "Why are you crying again?" Jack asked the little girl.

"I feel very happy to have the new doll now. But if I hadn't lost my doll, I would have two dolls!" the girl said. Jack was very surprised to hear what the little said.

#### My Winter Holiday Plan

The winter holiday is coming. I want to spend a meaningful holiday. Here is my plan.

Winter holiday is a good time to be close to the nature and I plan to visit Yancheng Nature Reserve. I'll watch the birds and try to find out different types of the birds there. I'll also take photos of the red-crowned cranes there. I am good at DIY, so I'm going to make New Year's presents for my parents and friends on my own to thank them. Moreover, I prepare to read more books on the nature and history in my free time in order to learn more about the world. Besides, I plan to spend about half an hour playing badminton every day so that I can keep healthy.

I hope I can enjoy my winter holiday and learn more at the same time.
