

我们的军训

军训还没开始我便充满了对军训的憧憬今天是第一天，我们见到了新教官也逐渐开始适应一周的军训生活，与同学们住在同一间宿舍，增强了大家的凝聚力与团结心。中午的时候，教官教我们叠被子，大家都认真看教官示范。教官告诉我们优秀的被子如果棱角不能扎到手的话，被子不能算合格，我和我的小伙伴都惊呆了。但是我们相信这次军训可以带来不一样的体验，希望这周军训能成为美好的回忆。- 储旭

Be a fearless soldier

I'm going to participate in the military training tomorrow. It sounds terrible, right? I've heard the instructors are extremely rigorous and violent maybe. I don't know how the trainings there will be, and whether they will be very weary or excited? But all I know is that the trainings there will be like the punishments from the hell. I went to riding today for one hundred kilometers and it was completely tired, because I finished the whole. However, how could I face the military training with a tired body tomorrow. I think I'm going to be dead. Although it will be horrible, what I want to tell myself is to be persistent. To be persistent to be the winner. I wish I could take it easy tomorrow.

明天我就要参加军训了，听上去似乎有点恐怖呢。听说我们的教官都非常严格，我不知道军训到底是怎样的，或许很让人兴奋，抑或让人筋疲力尽嘛？但我知道训练一定很严格，我军训前一天还参加了一千米骑行，非常疲劳，我能扛过军训嘛？想到这里我很担心，我告诉自己，要坚持，坚持就是胜利，我可以从容面对。无惧无畏，成为一个合格的兵！——陈世杰

军训前随想-承雨歆

明天就要军训了，心中有一些小小的期待和兴奋，想到要离家一周，又不免有些无奈与不舍。不过想到，一路上会有同学和老师陪伴，相信不会孤单。军训那些即将到来的日子，我们将从勇敢、不害怕的心态来面对你！

Although the training will be very hard and tired, we have friends who can help us. We will use our intelligence and courage to deal all the difficulty. We won't be afraid. We believe that great works are not performed by strength, but by perseverance.
