构成		

Conclusion: An email

Dear Tommy,

This winter holiday is really special because I celebrate the Spring Festival in China with my friend Simon. Let me tell you all about it!

First, we check the fridge. There____some chicken and carrots. However, we don't have____cucumbers. With the list in hand, we go to the mall. There _____ so many people here! We meet a busy salesperson and we help her. We also buy some_____(tomato) and_____(strawberry). What about having_____orange juice next time?

Then we buy some clothes. I find some people wearing *hanfu*. In fact, they are now popular_____young people. Simon says *hanfu* are comfortable_____(wear). They are not just part of fashion. They also show the_____(tradition) culture of the country. _____the way, I want to have a try.

When we come back, Simon's family is very busy. _____are they doing? Look! Simon's mum_____(sweep) the floor and his father_____(hang) some red lanterns on the door of the house._____is his grandma? Oh, she is in the kitchen and_____(make) spring rolls._____is the girl over there? She is Simon's sister._____boy is Simon? The boy_____a red coat!

After_____(get) lucky money, Simon gives me some advice. I should cover the daily needs first. Then I can buy some special things. Finally, I can put the rest in the bank for "a rainy day".

Celebrating the Spring Festival with Simon_____(be) wonderful. I hope you can get a chance to experience something special like this too!

Best wishes
Will
