

Spring

As winter gives way to spring,
The temperature keeps rising .
Spring like a child begins her trip,
To wake everything up.
Bring people liveliness,
Bring people happiness.

Summer

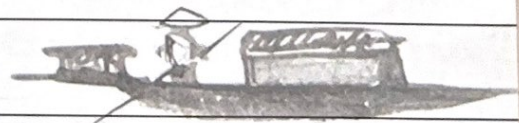

Summer is when the sun shines
and the butterflies dance with the flowers.

Those sweet memories of summer days
are about quiet streams and trees and shade
which made up my childhood.

It's also relaxing to lying in the beach and feel ^{slight wind} the
The sea is blue and it looks particularly beautiful at sunset.

What a nice thing it is I think in my mind

Autumn is a busy season

Good harvest is one of the reasons.

Golden and red trees

Nod to the soft breeze

As it whispers, "winter is near"

Good-bye, sweet flowers and tasty fruit

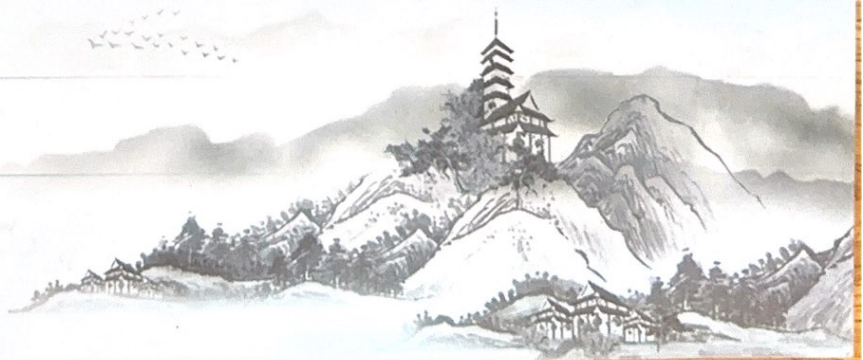

Winter

On a silent snowy day,
the whole world seems to turn white and grey.
Suddenly, children enter and enjoy their holidays.
They have a snowball fight to play.
The time fades away,
no words need to say.
