

Spring is the best.

Spring is everywhere in East and West.

Has the smell of a treasure quest.

leaves in a treasure chest.

In spring I will feel lively.

I think it can bring me lucky.

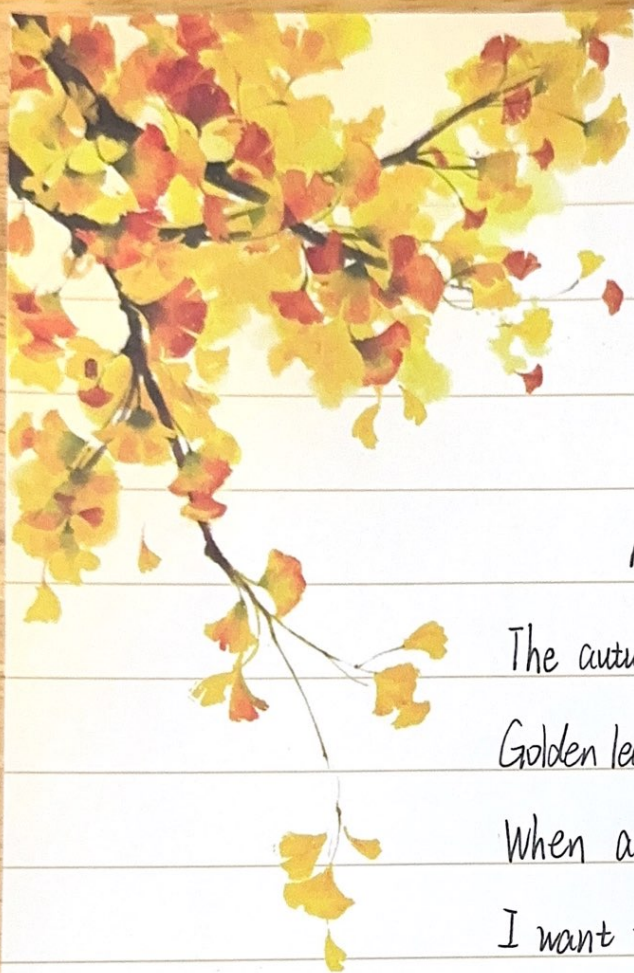

Summer

陈昱婷

Those sweet memories of summer days
Are about watching fireflies in the shade.
And singing to catch the cicadas.
Enjoy ice cream and orange soda
With breeze and bright
Forget anything worse with it.

Autumn

The autumn breeze is gently fondling my face.

Golden leaves fall the open space.

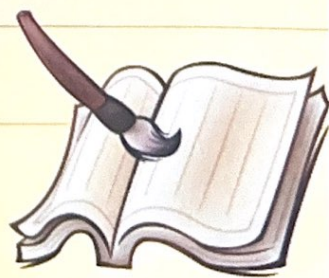

When autumn will end,

I want to hide it in my hand.

Another fall,

another turned page.

Winter

In winter snow often visits us.

My life is full of hexagon flakes.

What a perfect time to ^{play} with ~~make~~ a snowman.

We can also see animal hibernation show.

Soon the new year ^{is} ~~will~~ coming.

The animals and ~~the~~ plants ^{will} ~~are~~ waking.
