

Spring

Spring is colorful and lively.

Trees and flowers wake up early.

It is like a garden full of flowers.

The whole ground dresses up with rich colors.

Some days of spring are windy and bright.

What a perfect time to fly a kite.

Summer

Those sweet memories of summer days.
Are about quiet streams and shade.
Aand lazy afternoon by a pool;
Eating ice cream to feel cool.

Autumn.

In autumn's glow,
The leaves descend low.

Farmers work to harvest crops,
To prepare for the next year.
With the end of the autumn,
The new year begins.

Winter is a silent and dead season,

It is full of snow,

So I like making snowmen,

Flowers stop to smile in the air,

Birds can't be seen anywhere,

I like winter,

Because I can wear warm sweather.
